VINYL BINDERS

Ad Industries is the leader in heat sealed binders. Our screening and sealing departments allow us to manufacture vinyl binders to our customer's specifications. If you are looking for an economical binder or higher end binder, we are the company for you. We offer a wide variety of accessories from pockets, foam padding and label holders to myriad of decorating techniques including 4 color process. We have over 50 colors in many embossing and size configurations that will meet your clients critical needs. With our vast amount of tooling, special sizes may not be an obstacle.

Call your customer service representative for assistance on your next project.

CLEAR OVERLAY VIEW BINDERS

With our new in-house digital printing capabilities, now we can be your one-stop shop for your printed sheets and binders. Standard binder features: polished clear overlay on front, back, and spine; open at the top for your inserts; concealed rivets; 11" x 8 1/2" or 8 1/2" x 5 1/2" sheet size; clear pockets on the inside covers. Many sizes are available in 1/2", 3/4", 1", 1 1/2", 2", 2 1/2", and 3" ring capacities, round ring only. Straight D, and angle D rings are also available.

Call your customer service representative for special pricing.

ENCAPSULATION BINDERS

Encapsulation binders feature printed sheets completely sealed under clear vinyl. Our high-speed robotic equipment and digital printing enable us to offer you unheard of service at unbelievable prices. All sizes and capacities available in exposed rivets. Concealed rivets are available at slight additional cost.

Your customer service representative will help you with pricing.
