# INDEX SYSTEMS

Custom index systems are the perfect finishing touch for your binders. Index tabs organize your printed material so that each category is easily distinguished. We can custom print your copy on sturdy white or manilla stock, available with clear or colored mylar on the tabs to create an attractive, durable index set. Having your binders and index systems manufactured in one plant assures you of a complete package delivered on time.

# DIGITAL INDEX

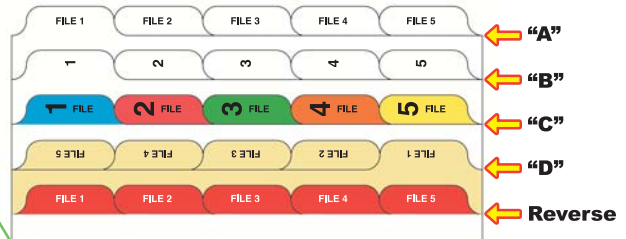

Ad Industries now offers 4 color process digital printing on index tabs. Full color graphics will enhance the look of your next Tab project.
